BALD EAGLE NITTANY HIGH SCHOOL MILL HALL, PENNSYLVANIA

FOREWORD

A school building is constructed of steel and cement, strong and permanent, but it is designed to accommodate an ever-changing flow of students. Year after year buses empty their loads each morning, and people stream in waves into the hallways and classrooms. To the rhythm of bells, tides of people wash in and out of the rooms and corridors and finally back to the buses, leaving the building empty. Carl Sandburg in his poem "Skyscraper" says "It is the men and women, boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories." As each individual forms a part of the mass, so each personality contributes to the whole of B.E.N.'s soul - that abstract thing we call school spirit. Soon we, the class of 1970, will be leaving this student body. With us we will take our individual dreams and thoughts and memories, many of which were molded in these halls and rooms. Before we leave, we present the 1970 BEN Memories, an abstract collection of the people and events that filled our senior year.

The yearbook staff of 1970 takes great pleasure in dedicating this year's book to the Bald Eagle-Nittany Board of Education. Because of your efforts and interest in education we feel our education has not been deprived.

Statistics have shown that the percentage of B.E.N. graduates that go on to higher education is equal to most schools in Pennsylvania. You have helped make this possible. Most of the students who go "on the job" after high school are very well accepted by their employers. You also share the credit for this.

We realize that this will be your last year as directors at B.E.N. and the student body is taking this opportunity to thank you for a "job well done."

Joseph Berry, Harold M. Adams - principal. Absent when picture was taken: Gene Ruhl, Lewis Herr, Ellis Warner, George Lehman - 1st vice pres., Laurence McNight - County Superintendent.

AFS

The American Field Service is a very active organization at B.E.N.

Their activities include money making projects, such as, book sales, bake sales, and selling candy bars. These profits are put in their treasury in hopes of raising enough money to bring a foreign student into our school.

NEWSPAPER STAFF - This hard working group of students prepare the Paper Panther for publishing.

A lot of work goes into the newspaper. Articles must be assigned, written, proof-read and then typed. The members of the staff went to New York City where they attended the Columbia Scholastic Press Association. Their dedication toward the Paper Panther proved quite rewarding as they placed second at the convention.

SCHOLASTIC QUIZ TEAM

The students and coaches pictured on this page have brought great honor to their community as well as their school for their fine performance on Scholastic Quiz.

Defeating Northern Cambria on their first performance, was a great boost for the teams' ego which may have helped them to triumph a second time over Jenner-Boswell.

As all good things must end BEN's scholastic team fell to the defeat of the fine team of Bishop Guilfoyle.

Much thanks goes to the School Board for providing the transportation and meals for the team.

Liz Klens, a senior will be matriculating at Lock Haven State College in the fall of '70 where she is majoring in Fine Arts.

Linda Mantle is a junior and her hopes include entering the field of music after graduation next year.

Robert Hoyt is a junior and is planning to major in Chemistry following graduation in "71".

Don Millward a senior, is very interested in the field of aviation. He is a registered pilot and will be entering Grove City College on an Air Force, ROTC scholarship grant.

Ed Brungard, a senior, faithfully served as an alternate on the team. His future plans are to attend Milligian College, Tenn. where he will major in Theology.

The main purpose of the Future Teachers Club of America is to give students the opportunity to get to know the advantages and disadvantages of the teaching profession.

The students are given assignments at the elementary schools where their tasks include not only the supervision of classes, but playground duty.

Money making projects are held throughout the year and some of the proceeds go to such things as Project Swim and the new air-conditioner for the lounge.

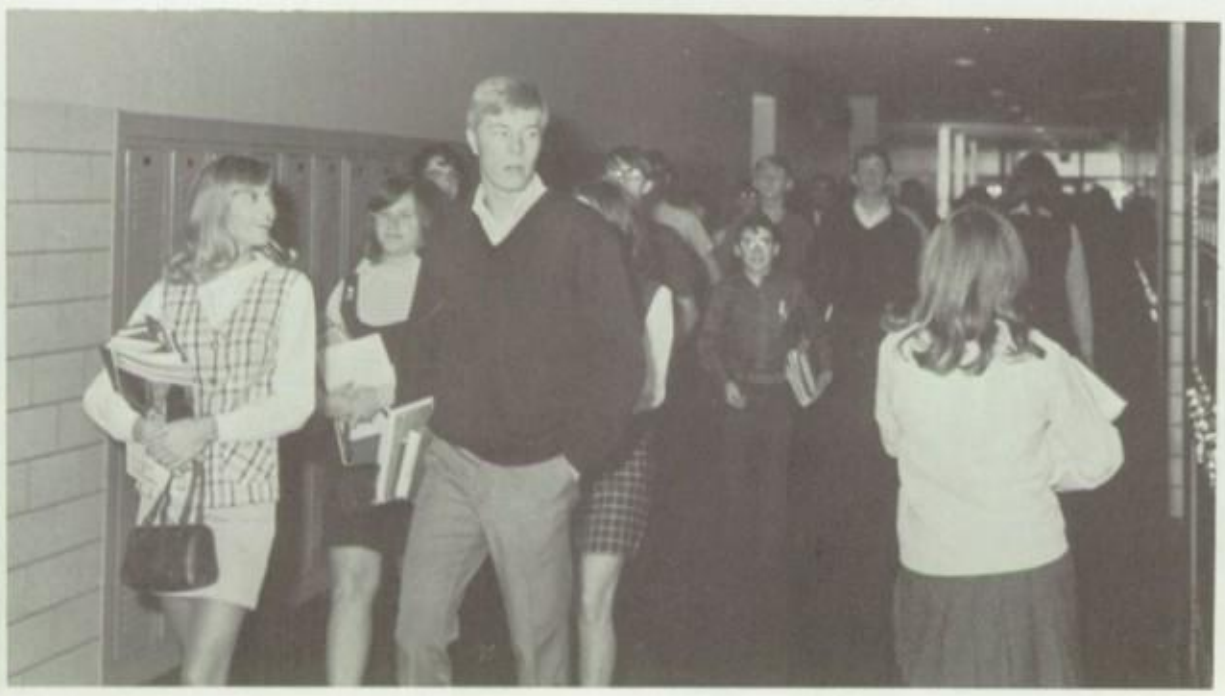
Dear Santa, please send me a CHAIR and ...

A fight!!!

Hope Jesse didn't see that AIRPLANE!!!

NEXT!!!



What's the matter, isn't she your type???

Great, I got my foot stuck!!

DUH ...

Helping out a friend.

This is disgusting!!!

Ah, drop dead!!!

Now let's see, what number was that?

Pssst, what's the margins???
